BEST PRACTICE 1

1. Title of the Practice: -

Employability Skills and Personality Development

2. Objective: -

Providing a platform for developing employability skills and overall personality thereby making the student capable of facing the world confidently.

3. The Context: -

The world today needs workforces who are not only hard workers but also smart workers. Our institution trains competent employees who can work globally.

4. The Practice: -

The institution ensures providing quality education for the students. Feedback is collected from various stakeholders and necessary up gradations are done in areas where shortfalls are observed. The curriculum is followed judiciously. Several certificate courses are introduced to enhance the employability skills of the students.

5. Evidence of Success: -

Students show genuine interest in joining various certificate courses introduced. They have benefitted hugely out of this and also motivate the junior batches to join such courses. Many of our students are also initiating steps to move to foreign countries for higher education and for employment. This shows their improved confidence and morale.

6. Problems encountered and resources required.

Time constraint was a major issue especially when students show interest in multiple certificate courses. Managing regular lectures and these certificate courses seemed little hectic for them, but they trusted the teachers who helped them in time management.

BEST PRACTICE 2

1. Title of the Practice: -

Green Initiatives to protect the environment for a better tomorrow.

2. Objective: -

Creating awareness about environmental conservation and protection by making students responsible

towards it.

3. The Context: -

The NSS unit of the College plays an active role in undertaking green initiatives. They undertake activities like Nature club, tree plantation, reduction of plastic wastage, cleaning the premises etc.

4. The Practice: -

The students are widely encouraged to be part of NSS and thereby contribute their bit towards going green. Slogans, Posters, Assignments etc. are prepared by the students to show their enthusiasm.

5. Evidence of Success: -

Students are showing genuine interest in being part of environment conservation activities. This is an ongoing process and the feedback from students shows that how sensitive they became about the protection of the nature.

6. Problems encountered and resources required.

Time management for the students and requirement of extensive planning for implementing various

activities.
