Institutional Distinctiveness

The vision of the college "Empowerment through higher education to all strata of society and the Mission "Quality education to all irrespective of caste, creed, socio economic status and uplift the poor and downtrodden" is the motto propounded by the great visionary, Sree Narayana Guru, in whose name the college is known for. Guru's teachings like 'One God, One Religion, One Caste for Human beings' is literally carried out by the institution as it prioritizes to provide education to the students hailing from the poorest of the poorest localities in the financial capital of the country. The students enrolled are thus inducted to realize the true values of humanity and also trained to channelize their energy to the common good of the society simultaneously bettering their skills in academics as well. The Management of the college has a reputation for imparting education for the poor and the marginalized strata of the society. Majority of our students are first generation learners and we can proudly acclaim that a large percentage of girl students in this locality are educated, thanks to the mere presence of this institution. Our institution focuses on the cultural, sports, NSS activities of the students thereby making them develop their overall personality. College also extends financial support to the needy and deserving students by providing scholarships from various funds of the College and by entering into MoUs with charitable trusts and with religious trusts.
